

## Statement of Use of Personal Information and Personal Data Consent Form

According to the Personal Information Protection Act (hereinafter referred to as the Personal Information Act) of our country, non-government agencies may inquire, collect, computer process transmittable, and use various information provided due to the needs of business purposes. Thus, :

1. The personal information contained in this application will not only be used by the Chinese Management (hereinafter referred to as the executing entity), but will also be provided to the New Taipei City Government Economic Development Department (hereinafter referred to as the organizer) for reference, so that it can be used to carry out the related counseling services.
2. Once this project is approved, this form will be treated as a consent form for the use of personal information. In accordance with the provisions of the Personal Information Act, the executing unit has the obligation to keep the personal information provided by you in a prudent manner, and will only use the relevant information within the scope of the business of this project.
3. Types of personal information: Name, ID number, address, telephone number, personal description, school records, qualifications or skills, current employment and work experience (C001, C003, C011, C051, C052, C061, and C064)
4. The time period, territory, recipients, and methods of which the personal information is used :
  - (1) Time period : From the date of acceptance of the application to the completion of the project.
  - (2) Territory : Within the sovereignty of the Republic of China.
  - (3) Recipients : Used by the organizer and executing entity.
  - (4) Methods : Automated machines or other non-automated means of utilization.
5. In accordance with Article 3 of the Personal Information Protection Act, the data subject may exercise the following rights :
  - (1) Make an inquiry of and to review his/her personal data
  - (2) Request a copy of his/her personal data;
  - (3) Request to supplement or correct his/her personal data;
  - (4) Demand the cessation of the collection, processing or use of his/her personal data; and
  - (5) Request to erase his/her personal data.

If you have any of the above needs, please contact the executing entity, and after filling out the application form of the executing entity for the exercise of the rights of the data subject, the executing entity will respond in accordance with the law. In addition, in accordance with Article 14 of the Personal Information Protection Act, the executing entity may charge a fee for the necessary costs for inquiries or requests to view or make copies of personal information.

6. If correct personal information is not provided, the executing entity will not be able to provide you with relevant services within the scope of your specific purpose.

I am fully aware of the above information provided by the executing entity and agree to the collection, processing and use of my personal information by the organizer and the executing entity.
